08/2018–06/2021

### MARTICULATION EXAMINATION

Helsingin Suomalainen Yhteiskoulu

- The school had a language emphasis and provided me with great ability to prepare for international encounters: English, Swedish, German, Russian, Japanese
- In addition to great teaching in literature and natural sciences, I also got a good general knowledge about history and societal issues
- Top 1% score in advanced math national exam
- Grade: Laudatur, eximia

## HOBBIES

- Bass singer in Dominante-choir
  - One of the best mixed choirs in Finland
  - I have taken responsibility in internal affairs of the choir by organizing joint events
- Chess
  - Played chess since a young age and used to play competitively as well. Achieved 2nd place in national Finnish high school tournament with my team
